

TECH RIDER

2022

TEN DAYS OF CHAOS

Rider below is current as of 2022

XDOC reserves the right to modify the riders at their discretion based on the location of the show and timeframe.

**Band compensation is based on destination, show production, event size and availability.*

TECH RIDER

XDOC will transport most of their equipment. When on tour, XDOC requires:
Drum riser, sound wedges, drum monitor, stage lights, and ability to line check and sound check before shows.

Preferred:

Ability to showcase band logo on stage backdrop
